

FRIENDS OF MARIN CENTER

ASSURING
ACCESS
TO THE
Arts

FOMC, a non-profit organization, works "behind the scenes" to boost the reputation and facilities of the Marin Center for the performing arts. Our mission is to assure that everyone in our community has access to the diverse cultural performances at our world-class Marin Veterans' Memorial Auditorium. Last season FOMC distributed nearly 2000 event tickets to local non-profit agencies and schools. With the help of our members and sponsors, we can surpass that number this coming year. We are delighted to thank the **Outback Steakhouse** in Sausalito for our 2004 Benefit Barbeque preceding Linda Ronstadt's sold-out performance. We are currently planning our annual Gala benefit for FOMC on February 19th, 2005 with a performance by the acclaimed St. Petersburg Ballet. Gold Circle ticket purchasers will attend a Russian-style reception, including a chance to meet the performers. Business sponsors for this event receive unparalleled exposure, advertising and recognition for their important contribution to the arts in Marin. Please let us know if you want to be a Friend of Marin Center!

THE FRIENDLY FACE OF FOMC

Board member Jack Golan is probably the best known ambassador of Friends of Marin Center. As host of members-only gatherings at Marin Center Presents events, he greets members at the door of the Green or Toyon Room at intermissions and post-show receptions. Members enjoy getting to know each other while indulging in free refreshments. "Members feel very special and comfortable when they come to receptions. They belong to a very exclusive club."

Jack has served on the FOMC Board since 1992. Even before retiring from his position as Supervising Ranger for the Marin County Parks & Open Space Department in 1996, Jack was active volunteering. He served 21 years on the board of the Marin Jewish Community Center and was part of the group of parents that started Brandeis Hillel Day School in Marin when his children were young. He is currently Sergeant at Arms in the Marin County Retired Employees

Assn. and Board Secretary of Lawyers for One America. He volunteers with the Marin Symphony, helping with receptions and chaperoning guest conductors and soloists, picking them up from the airport, bringing them to rehearsals and performances. He also works in the office during the Marin County Fair, and serves on the Development Committee of the Marin Center Renaissance Partnership that will lead the Marin Center into the future.

Friends of Marin Center Board member Jack Golan.

Of his volunteer work Jack says, "You give back to the community what the community gave you or will give you. Marin Center is in my heart. Whatever I can do for it, I will."

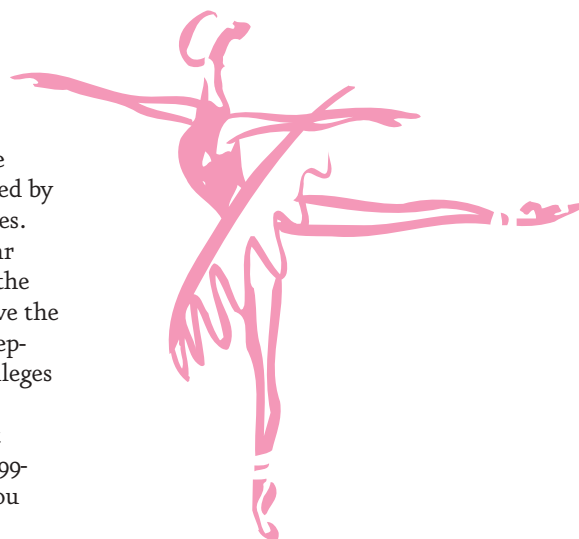

FOMC members appreciate Jack's dedication and the big welcome he gives them when they come into their private 'clubhouse' at Marin Center events.
